

# Newsletter

## Welcome to our Action for Brain Injury Week Newsletter!

As you may know, Action for Brain Injury Week is our biggest awareness-raising event of the year. Taking place from 13th-19th May, it's our opportunity to speak to the press, the public and local organisations about brain injury, the effects that it can have, and the support that Headway Devon can provide to people and their families.

Will you be wearing your hat for  
Headway on Friday 17th May?

This year we're planning to make our celebrations bigger and better than ever before. With our county-wide exhibition (see the back of this newsletter), Hats for Headway Days, and plenty of stories in the local newspapers, we're confident that more people than ever before will hear our message—that there is **life after brain injury**.

## But first it's time to say thank you to...

Local postman **Richard Kemp** (pictured right) who took on the Yeovil Half Marathon, raising over £700!

The **Babbacombe Model Village** and **Exeter Guildhall Sainsbury's** who have generously donated tickets and vouchers to help our fundraising.

Students and staff at **Okehampton College** for donating a whopping £1,388 following their annual sponsored walk across Dartmoor.

And the **Sun and Rolle Lodge Freemasons** who have made a donation of £500 to Headway Devon's centre in Honiton.
